Since his arrival, he has incurred miscellaneous debts, amounting to about \$5,000.00 under various pretences from different persons in Shanghai.

John Sandor's father who is reported to be a very wealthy and influential business man at Budapest, has been approached regarding his son's debts incurred at Shanghai, but, it is understood, that he is unwilling to pay for same.

C.P.

This document is all we have about Sandor. I think the Manager might discuss with the Hungarian Consul at advantage.

The credit allowed on May would preclude any possibility of action for fraud. It appears on May 1 he owed \$2875<sup>57</sup> which soon by May 4 had increased to \$3132<sup>63</sup>. The items specified show no restraint in action on the part of the management.

RE: MR. JOHN SANDOR

Dear Major Gerrard:

I am enclosing for your information my entire file with reference to the above and am at a loss to know just exactly what action to take in this case and thought I would ask your advise.

The gentleman in question is reputed to be the son of a wealthy banker in Budapest, and while his father, as you will note from the last telegram received, being very much upset over the amount of credit given to his son states that Exchange export is legally prohibited.

The Mr. Hugo Sandor with whom we have had correspondence and who has helped us in sending the necessary cables is, I believe, a relation of Mr. John Sandor.

Thanking you very kindly in advance for any help you may give me in this matter, and regretting to trouble you, I remain,

With kindest regards,  
Yours sincerely,

*E. Carrard*  
GENERAL MANAGER.
